## <u>NUALS Kochi: Graduates since 2002 to get DigiLocker digital</u> <u>certificates</u>

All degree holders of The National University of Advanced Legal Studies (NUALS) from its very first batch can access their degree certificates through DigiLocker. B.A.LL.B., LL.M. and Ph.D. students will get this facility.

DigiLocker was implemented with the assistance of the national egovernance division and the state IT Mission.

With this, NUALS becomes the first university in Kerala and the first law university in India to be fully digital in issuing certificates, the university claimed. Students can access the NAD link given on the website of NUALS and register for accessing the certificates. Digital Certificates are treated equally at par with original certificates.

The link for accessing the NAD <u>click here</u>.

The step-by-step instruction for accessing the NAD is as follows.
